CHILDISH, IRREVERENT
HUMOR FOR THE MASSES!!!

COLLECTOR'S
EDITION
VOL. 1 NO. 1

EDITORIAL

Hello and welcome to the first gag packed issue of COLLECTORS EDITION magazine. Though this only the first issue of this particular magazine, we here at COLLECTORS EDITION are not newcomers to the magazine game. We broke in to this hellish business a few years back with a nervy attempt at humour, in the form of HANDICAP magazine. In that publication we relied on cruel jokes aimed at the physically handicapped clique in today's society. We think that we have outgrown that stage, and we hope that COLLECTORS EDITION will reflect the change that our humour has undergone. Nope, COLLECTORS EDITION will contain no tasteless jokes about the deaf, the blind, the incredibly obese or human worms. (well, maybe human worms...) We will instead aim our satire at a wider range of subjects, in the hope of amusing more people more thoroughly. So sit back with an open mind and take a gander at our first issue, and enjoy yourself. But first, a toast. TO IRRESPONSIBLE JOURNALISM! Cheers.

AN EXCLUSIVE INTERVIEW WITH,
LEIF GARRETT!!!!

by: Dave 'Pookie' Hines

I met with Leif (rhymes with chafe) on an ever so Tuesday afternoon. He was wearing tight red leather pants, a ree-ly bitchin' silk shirt, unbuttoned to the waist to show off his chest hair, (he hopes to duplicate it soon) and 34 religious medallions around his very tan neck. Leif had just finished a super tough day of filming on the set of the hit t.v. series 'Family', starring, of course, that nifty Kristy McNichol!!! Since we were both feeling just totally mellow we decided to conduct the interview in a park or something. After we got to Forest Lawn we got ourselves ree-ly comfortable and began the interview.

HINES: So, Leif, how are you and that pubescent bombshell Kristy McNichol gettin' along? You gonna try to scam on her?

GARRETT: Nah. Like, Kristy and I are just rilly good friends. Besides, we're professionals and don't want a relationship to interfere with our work. Plus she won't talk to me.

HINES: Bummer, man, she's ree-ly hot! What's it like to have girls jump all over you wherever you go?

GARRETT: It's great, but I'll probably appreciate it more once I reach puberty. Do you have a comb? The wind's blowin' my hair in the wrong direction.

HINES: Sorry, cat, I left mine at home. One last question, okay?

But it was entirely too late. Leif had lost his train of thought and was busy spray painting 'Skateboarders Rule' on a head stone. So, as you can see, Leif is just as together as he looks. His goal? "To be like Rod Stewart." Now that's ambition for you! Hope you enjoyed reading this interview as much as I enjoyed making it up!

COMING NEXT MONTH:

Dave fabricates an interview with 'Battlestar Galactica' star Dirk Benedict. Did Marie Osmond refuse to marry him because he (GASP!) drinks coffee??? FIND OUT THEN!!!!!!!!!!!!!!!!!!!!!!

COLLECTORS EDITION IS PRIVILEGED TO PRESENT,
THIS MONTHS 'MISS FUTURE MARINEWIFE'!

by: Dave Hines

This months Miss Future Marinewife hails from lovely, overrated Oceanside, California. This is where she was born and the place she calls home, probably always will. As she so accurately puts it, "I 'aint got no way to leave. I'm a human zero." Her voice is thick with the accent of illiteracy. "I jus' didn't like goin' to school." There's no doubt that she'll make a fine marine wife.

Her fondest memories? "Jus' last Tuesday I went to the library and checked out 130 Harlequin Romances. That was o.k. I guess." The daughter of a mobile home salesman, Miss Future Marinewife says that, "Mobile homes are alright for real old people." Would she ever live in one? "Eeeyeww!" is her well articulated answer. Having lived in Oceanside all her life, is Miss Future Marinewife an avid beachgoer? "Nah. I went to the beach once and got blisters all over my body." She likes to eat, and boasts that she'll, "...eat anything digestable, ocra, cow brains, worms, anything!" At the thought of food our lovely Miss Future Marinewife smiles, revealing her remarkable rows of yellow, cigarette stained teeth. "My teeth are my pride and joy. It took me a long time to get 'em just the right shade of yellow and I 'aint brushin' 'em for nothin'!"

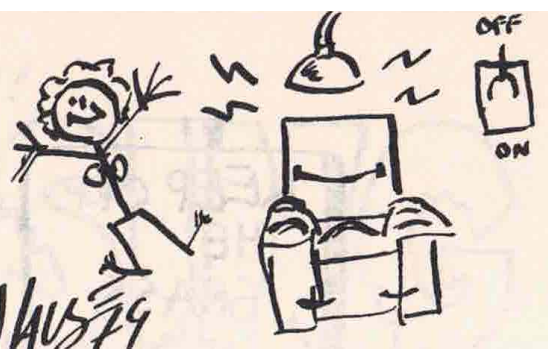

Brushing, it seems, is something our Miss Future Marinewife could do without. "I never brush nothin' - especially not my hair. Once I had a cat that died of a furball caught in it's throat. It was right then and there that I decided that I wasn't never gonna brush no more hairs. Instead I go to the beauty parlor once a month to get the knots took out of it." The beauty parlor? We could hardly believe it! "Yeah, that's what most people say," claims our ravished Miss Future Marinewife.

As for her figure, well boys, it's a sight one doesn't soon forget. Her large, sensuous breasts hang down to her waist in a stunning effect that makes her appear to be 30 to 40 pounds overweight. Her waist is a stunning 43" around, while her stomach hangs luciously over her pimple speckled 57" hips.

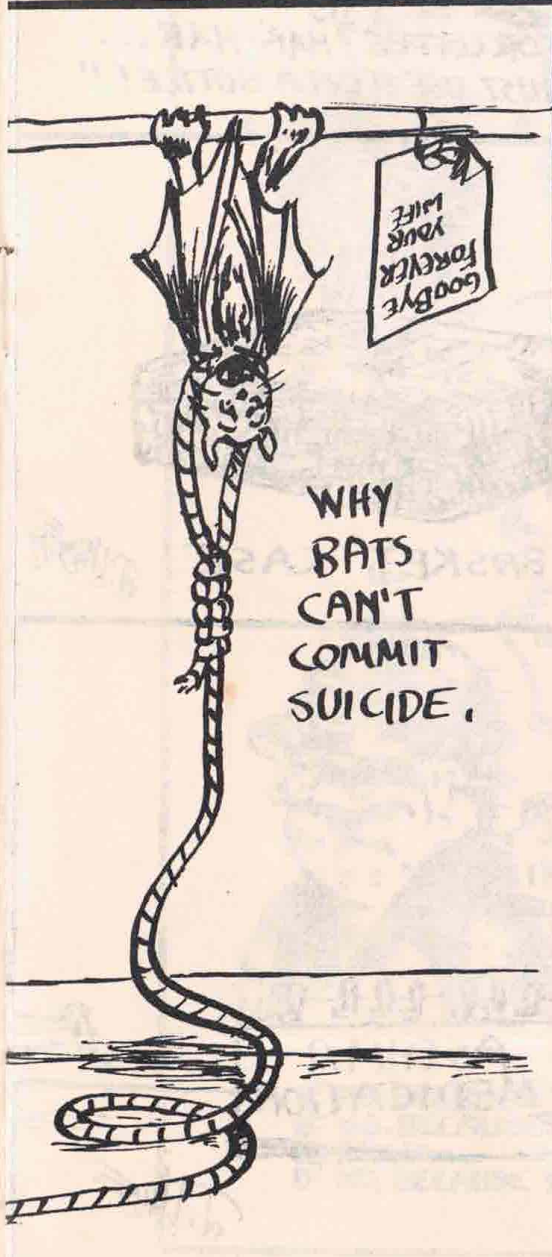

Is she happy to be a future marine wife? "Yeah, sure. Only a marine would marry me anyway. Hell, to them I'm a prize catch!" With this she laughs, seductively spraying the room with soft, chewed cracker crumbs.

SO REMEMBER, FOLKS:

1. ONE DAY YOU'RE GOING TO DIE. MAYBE IN 50 YEARS, MAYBE IN 50 SECONDS, YOU'LL NEVER KNOW WHEN OR HOW UNTIL IT HAPPENS (SEE NO.'S 7 & 10).
2. COLLEGE ISN'T AS FUN AS IT LOOKS IN THE MOVIES.
3. STUDIES HAVE SHOWN THAT THE AVERAGE MALE IS COMPATIBLE WITH AT LEAST 2000 PEOPLE OF THE OPPOSITE SEX, AND YOU'RE GOING TO MARRY THE UGLY ONE.
4. THE AVERAGE AMERICAN FALLS IN LOVE 7 TIMES BEFORE MARRIAGE, BUT THE NUMBER OF GIRLS IN LOVE WITH HIM IS CONSIDERABLY LESS.
5. THE AVERAGE AMERICAN MALE FALLS IN LOVE 7 TIMES AFTER MARRIAGE, BUT THE NUMBER OF GIRLS IN LOVE WITH HIM IS EVEN LESS THAN IN #4.
6. YOU MAY NEVER GET MARRIED.
7. REMEMBER, ONE DAY YOU WILL DIE. THERE'S NOTHING YOU CAN DO, EITHER.
8. GIRLS WILL NEVER LIKE "A BOY FOR HIS PERSONALITY," LIKE MOTHER SAYS. NOT EVEN WHEN THEY GO INTO COLLEGE OR GET DESPERATE AT 25.
9. OLD AGE ISN'T LIKE IT LOOKS IN RETIREMENT BROCHURES. YOU SMELL (EVEN MORE THAN YOU DO NOW) AND GET WRINKLES, AGE SPOTS, AND YOU BECOME A NUICANCE TO YOUR CHILDREN, AND KNIT BRIGHT PILLOWS FOR YOUR GRANDCHILDREN, WHO'LL HATE THEM, WANTING MONEY INSTEAD.
10. KEEP IN MIND THAT YOU MAY NEVER REACH OLD AGE.
11. THIS IS NOT REALLY AN INSERT, AND YOU'VE BEEN GYPPED.

CAPTAIN CONTROVERSY SEZ...

by: Dave Hines

Captain Controversy was created to give this magazine a radical punch that it otherwise doesn't have. Captain Controversy may say things that you don't want to hear, but that's what he's here for. If you are upset or angered by what the Cap. has to say, then he will have served his purpose, and that is to get you to think about the world that you live in. The opinions expressed by Captain Controversy are the opinions of this magazine, and we'll not retract a word of it, not even if Gloria McLellan, that crusader for everything frivolous, tells us to! So, without further adieu, here's Captain Controversy to shock, surprise and possibly anger you.

- The Editors

Captain Controversy Sez:

Vista is dull.....old people drive slow.....prices are too high.....the Padres will not win the pennant this year..... Van Halen is a lousy band.....nuclear power is potentially dangerous.....if you don't wash your hair you'll end up looking like a surfer.....America has a huge national debt.....the Vista Press is a crappy newspaper.....Mexicans very often have dark hair.....disco sucks.....the V.H.S. drama department has finally hit the skids.....dirty words are no big thing.....rape is bad.....zits are not attractive.....Cubans have charisma..... toast is the most.....anhedonia is the inability to experience pleasure.

There you have it. Shocking? You bet it is, but that's the way we like our journalism around here. If you feel offended by what you have just read and feel obligated to write us about it, DON'T! We don't care if we have offended or not! Besides, if that piddly got you upset, just wait until the next issue when we won't be censored! Tee hee.

* NOTE *

If you think that you'd like to submit an article or cartoon to COLLECTORS EDITION, send it to:

COLLECTORS EDITION MAGAZINE
DEPT. S
1601 INDEPENDANCE WAY
VISTA, CALIF. 92083

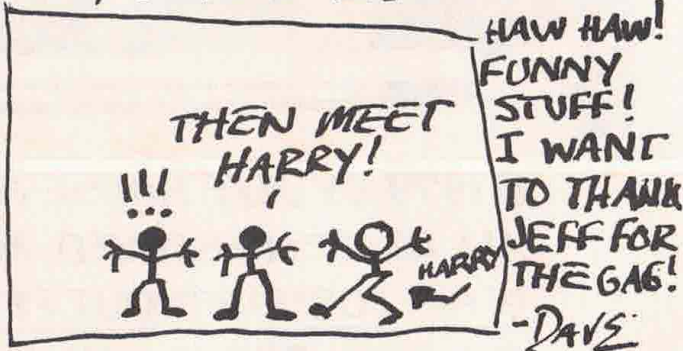

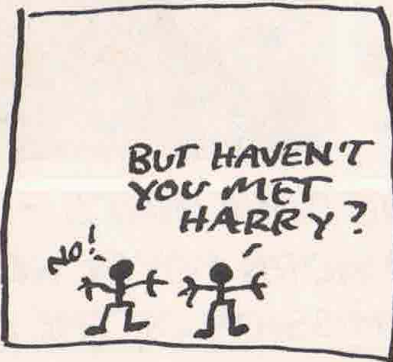

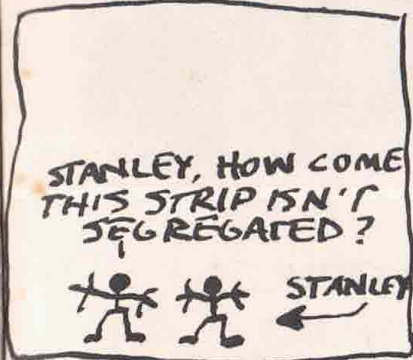

Or, to avoid the ever increasing postal rates, give it to Jeff Hause in the Vista Hi Skool journalism room (B - 16). Your submission will receive ample consideration. We ask that all pieces be kept relatively short. If published, you will receive full credit for your work. No submission will be re-written, re-drawn or tampered with in any way, even if you ask us to. If published, you will receive NO payment, as COLLECTORS EDITION is a painfully non-profit venture. Being a humour magazine we do not want any articles about the benefits of racial discrimination or other equally dull topics. Should your submission be rejected and you would like it back, enclose a stamped, self-addressed envelope with the submission. All pieces received are the property of COLLECTORS EDITION magazine. Any submissions will be much appreciated. Thank you.
